

ISMA Course Catalogue 2016/2017 for International Students (*degree and Erasmus+*)

Master of Business Administration

Please note the catalogue`s purpose is informative only. Some subject`s names, ECTS and codes may be changed during the study year. Some subjects may be moved from one semester to another. Some lectures could be cancelled due to insufficient amount of students in group.

Master students in order to expand their course can get an individual plan of studies and to join courses delivered for Bachelor students. In this case these elected subjects will also be reflected at a Transcript of Records.

X¹ These subjects may be delivered on a base of lecturer`s consultations and student`s self-studies if the group amount will be insufficient. In this case times of consultations will be announced, according tasks and literature will be provided and obtained knowledge will be examined by the teacher at the end of the course.

X² Language courses are delivered on a language of study. Please do not take more than **1** same language course per semester.

X³ The course is delivered in English only in a joined group.

Orientation meeting with ISMA coordinator is compulsory.

ISMA will inform the student about possible changes and according alternatives will be offered.

Changes in Learning Agreement will be done then.
